The Super Bowl Fire Pit is the Perfect Fire Bowl for Outdoor Entertainment and Enjoyment. Our original design, the round shape provides a beautiful centerpiece for any backyard, patio or lounging area.

The Super Bowl comes with a stainless steel fire ring insert, a gas key valve and all the gas connections needed. This unit is Hand Crafted to perfection in the USA and is available in several stain finish options. The fire pit featured is shown in the Pewter finish. Available in Natural Gas or Propane.
